Please attach a sketch of the proposed alteration and a photocopy of your Plat Map, which you received at closing. Sketch the location of the proposed alteration on the Plat Map indicating its relationship to existing buildings and easements. These submissions will be kept in the Board's files for future reference and will not be returned. For Paint color requests, please include a color swatch no smaller than 6-inch square. DRC reserves the right to request additional details

It is the responsibility of the property owner to obtain any and all permits necessary to comply with all City of Overland Park regulations and ordinances concerning the proposed alteration. Nothing herein contained nor in subsequent GlenEagles approval shall construe that the alteration to land or structures in accordance with these plans is allowed to violate any of the provisions or building or zoning codes of the City of Overland Park or the State of Kansas, to which the above property is or may be subject. Further, nothing herein contained nor in subsequent GlenEagles approvals shall be construed as a waiver or modification of any said restriction. Each individual alteration and or each instance of the same alteration must be individually approved in writing prior to the start of construction.

Homeowners requesting to build or alter any fence must submit this form with signatures from any adjacent homeowner with a fence that will be abutted or in any way connected to the new fence project before the Board will grant approval.

I (we) the undersigned Homeowner(s) have been made aware of this application. If the application includes a fencing project that will directly connect with our existing fence we grant the requesting homeowner full permission to connect to my(our) fence pending the approval of this project by the DRC.
